Outbreak Response

Falcon Gymnastics is committed to the following process in the event of a COVID-19 Outbreak:

Early detection of symptoms will facilitate the immediate implementation of effective control measures. In addition, the early detection and immediate implementation of enhanced cleaning measures are two of the most important factors in limiting the size and length of an outbreak. An "outbreak" is two or more cases; a "case" is a single case of COVID-19.

1. If a case or outbreak is reported, Renata Allan (250-479-6424) will be the main point of contact for all parties. Renata has the authority to modify, restrict, postpone or cancel any or all club activities.
2. If staff (including volunteers) or a participant reports they are suspected or confirmed to have COVID-19 and have been at the workplace/activity place, Renata Allan (250-479-6424) will implement enhanced cleaning measures to reduce risk of transmission.
3. Renata will implement the illness policy (see Appendix 2) and advise individuals to:
 - a. self-isolate
 - b. monitor their symptoms daily, report respiratory illness and not to return to activity for at least 10 days following the onset of fever, chills, cough, shortness of breath, sore throat and painful swallowing, stuffy or runny nose, loss of sense of smell, headache, muscle aches, fatigue and loss of appetite.
 - c. use the COVID-19 self-assessment tool at BC COVID-19 Self-Assessment Tool to help determine if further assessment or testing for COVID-19 is needed.
 - i. Individuals can contact 8-1-1 if further health advice is required and 9-1-1 if it is an emergency.
 - ii. Individuals can learn more about how to manage their illness [here](#).

4. In the event of a suspected case or outbreak of influenza-like-illness, Renata will immediately report and discuss the suspected outbreak with the Medical Health Officer at our local health authority. Implement your Illness Policy and your enhanced measures.

If Falcon Gymnastics is contacted by a medical health officer in the course of contact tracing, all individuals associated with the club must cooperate with local health authorities.

Falcon Gymnastics will post the following posters in visible spaces at our facility:

BC Center for Disease Control Posters:	WorkSafe BC Posters:	Gymnastics BC's Posters:
Hand-washing poster (more detailed) Physical distancing (At entrance and in other spaces)	Entry check for visitors (at Entrance) Occupancy limit poster (in each applicable space) Cover coughs and sneezes	Got Symptoms? Germy-Handed! Welcome Home! Strike A Pose
