

*Falcon Gymnastics and the
Falcon Gymnastics Parents
Association presents the 38th*

Welcome Athletes, Coaches, Judges, Families, and Friends

The Falcon Gymnastics Parent Association (FGPA) is very happy to be able to host the 38th Annual Garden City Invitational Virtual competition for all of our hard working athletes. With the ever-changing PFO orders and temporary gym closures of this past year, training has been challenging for all athletes, and the unknown has been stressful for the coaches and gym owners! To be able to host and participate in Virtual competitions has been beneficial to the athletes and coaches, it has meant that our athletes have had something to work towards, and a way for them to show off all of their accomplishments.

Hosting a Virtual Competition, we were able to open our competition to clubs that would not normally be able to participate at an in person competition being held on Vancouver Island, BC. This year, Garden City Invitational has over 750 athletes from 24 different clubs, these athletes range in ages from 6 to 18. We are very excited to be welcoming clubs from BC, Alberta, Yukon, Saskatchewan, Newfoundland and Labrador! Not bad for a tiny club in Victoria BC.

We look forward to a great week of competition, watching videos, and sorting awards! Best of luck to all of our competing athletes!

Kelly Shera (FGPA President) & Tracy Nguyen
(Garden City Chair)

Handcrafted All Around Trophies

Falcon team member, Bellaku Caleb, and her grandpa, Pierre Blanchard (Pépé to her), are the proud designers and producers of Garden City's All Around trophies this year.

Bellaku first started helping her grandpa in his woodworking shop (aka the garage) during the initial Covid lockdown when she and her mom were staying at her grandparents. Without her regular 12 hours of gymnastics training, no playdates, and not a whole lot of school, she had some extra time. And when every conceivable thing had been built or played in Roblox and she couldn't bear to go on another forest walk with her mom, Bellaku decided to see what her grandpa was doing for long hours every day in the garage.

Bellaku and her grandpa started by carving a cat, then a dog, then a horse, and then they tried a gymnast on a beam (the Falcon logo).

To make the trophies, Pierre starts with a raw plank of black walnut. After milling it, he stencils the logo onto the wood and cuts it into shape using a scroll saw. He ebonizes the pieces (soaks in a vinegar solution) to make the wood darken, dries them, and sands them down. He then applies six coats of polyurethane, sanding in between each coat. The two pieces are then glued together (the gymnast on the beam to the trophy's base), the bottom gets his signature stamp, and they're ready!

Pierre has been working with wood since 1973. He makes furniture, all nature of boxes and containers (including jewelry boxes, wine bottle holders, and even urns), cutting boards, 3D puzzles, and now trophies. His latest challenge is learning the ancient craft of French marquetry. He is a member of the Mid-Island Woodworkers' Guild and the Artisans' Studio, an artists' cooperative in Nanaimo. He sells his work at the Kris Kringle Craft Market and at www.woodartbypierre.com.

Pierre doesn't do hair, so he's thrilled to find this other way to contribute to Bellaku's passion – gymnastics.
